Washington, DC 20554

This request for reconsideration is being filed in response to a clerical error discovered on March 10, 2016, regarding a form 471 filing for funding year 2015.

Billed Entity Name:	CALLOWAY COUNTY SCHOOL DIST
Billed Entity Number:	128961
Form 471 Application Number:	1043883
Funding Year:	2015 (July 1, 2015 – June 30, 2016)

The Funding Commitment Decision Letter of August 14, 2015, states:

Funding Request Number: 2865592
Service Type: Telecommunications Service
SPIN: 143030547
Service Provider: Time Warner Cable Information Services (Kentucky), LLC
Annual Pre-discount Amount for Eligible Recurring Charges: \$10,500
Annual Pre-discount Amount for Eligible Non-recurring Charges: \$.00
Pre-discount Amount: \$10,500
Discount Percentage Approved by the USAC: 80%
Funding Commitment Decision: \$8400 - FRN approved as submitted

Summary of Appeal:

An application was submitted on behalf of Calloway County School district (Form 471 1043883). A clerical error was originally made when entering the annual pre-discount amount for FRN 2865592. The previous administrator (who is no longer employed by the district) erroneously entered the school district's discounted responsibility as the annual pre-discount amount. This error was not exposed until March 2016, when Time Warner Cable (TWC) discovered an error in their billing invoices to Calloway County School District (CCSD), after noting that the service provider was incorrectly applying the discounted rate from funding year 2014 to the funding year 2015 invoices.

In this case, CCSD had requested \$875 per month when the total monthly request should have been \$3613.34. I am attaching a service quote from the service provider that shows the full amount for CCSD, as well as the current E-Rate discount (four circuits at \$875.00 each, with \$151.12 in taxes and fees, plus a single line for the \$700 E-Rate discount). This invoice was corrected to show amounts past due after the service provider discovered the error with the funding discount.

Since the error was discovered beyond the 60-day window for appeals from when CCSD received the Funding Commitment Decision Letter, I am appealing directly to the FCC for reconsideration of this request.

Thank you for your review of this request for reconsideration. If you have further questions or require additional information, please do not hesitate to contact me.
