

60001562709.txt

Please help us get RFD back in our line-up. My husband enjoys many of the machinery shows, but we both enjoy the shows with horses and other animals, and last but not least, country music. Many nights RFD is the only network we watch.

We are very angry RFD has been removed from our viewing and hope this letter helps you make a decision.

Thank you!

Sincerely yours,
Barbara Wilson
