Dear sirs: This paper came from the hospital where my wife, she died a year ago. She thoroughly enjoyed the R.F.D. rural channel that might be stopped the "BIG GUYS", big business. No other channel carries the youth programs, like the FFA youth convention & the trainees, western-horse training & of course, the week-end western musical shows, like the MOLLY B POLK music & VINCENT & DAILY SHOW. Now that she is GONE, I'm still watching the same RFD network. It would be a shame to lose these great entertainment shows, to BIG Business. I implore you, to reconsider, thoughtfully, the harm it will be to lose these great shows. I' also worrying, about the GIG DISH DIRECT TV big boys, & their outragious prices they chg to the little guy. I have an antenna, to "FREE T.V. Signals" out of Portland, OR. The small guys, need access to FREE T.V. any thing you can do, to help the little guy will be greatly appreciated. Thank for your time, when you consider us loseing RFD.
