**SECTION 63.71 APPLICATION**

Pursuant to Sections 63.71 of the Commission's Rules<sup>1</sup> and Section 214(a) of the Communications Act of 1934, as amended,<sup>2</sup> Wes-Tex Telecommunications, Ltd. ("Wes-Tex" or the "Company") hereby files this application to discontinue the provision of select operator services to customers that the Company serves in the state of Texas ("Application").<sup>3</sup> In support of this Application, Wes-Tex submits the following:

**I. Information Required by Section 63.71(a)(1) - (4)**

**A. Name and Address of Carrier**

Wes-Tex Telecommunications, Ltd.  
P. O. Box 280  
Stanton, TX 79782

For purposes of this Application, the Commission may contact:

Darren Patrick, General Manager  
Wes-Tex Telecommunications, Ltd.  
P. O. Box 280  
Stanton, TX 79782  
432-756-3393  
[dpatrick@westex.coop](mailto:dpatrick@westex.coop)

<sup>1</sup> See 47 C.F.R. § 63.71.

<sup>2</sup> See 47 U.S.C. § 214(a).

<sup>3</sup> As required by Section 63.71(a) of the Commission's Rules, Wes-Tex has notified and submitted a copy of this Application concurrent with this filing to the Public Utility Commission of Texas, the Governor of Texas, and the Secretary of the Department of Defense.

**B. Date of Planned Service Discontinuance**

Wes-Tex will discontinue operator-assisted Collect Calls, Billed to a Third Number, Line Status Verification, Busy Line Interrupt and Person to Person services to its customers in the state of Texas on or after May 31, 2016, upon completion of all necessary federal and state regulatory approvals.

**C. Points of Geographic Areas of Service Affected**

Affected Wes-Tex local exchange customers are in the Company's service area in the exchanges of Stanton and Big Springs.

**D. Brief Description of the Types of Service Affected**

In the areas referenced above, Wes-Tex provides the following services which will be discontinued (collectively, "Affected Services"):

- Collect Calls - A billing arrangement by which the charge for a call may be reversed provided the charge is accepted at the called service point.
- Billed to a Third Number - A billing arrangement by which an operator-assisted call may be charged to an authorized service point other than the service point originating the call or the service point where the call is terminated.
- Line Status Verification – An operator service allowing the operator to confirm when a line is idle or in use.
- Busy Line Interrupt – An operator service allowing the operator to break into a conversation when a line is in use.
- Person-to-Person - A service where the person originating the call specifies to the Cooperative operator a particular person to be reached, a particular mobile service point to be reached through a Mobile Telephone Service attendant, or a particular station, department or office to be reached through a PBX attendant.

This discontinuance is limited to the Affected Services. Customers will continue to have access to all other current services without interruption.

**II. Brief Description of the Dates and Methods of Notice to All Affected Customers**

Notices were sent to all Wes-Tex local exchange customers via bill insert by method of U.S. Mail on April 1, 2016. Please reference Exhibit A which is a sample copy of the Notice sent to the affected customers. Wes-Tex deemed a bill insert the most economic

method of reaching its rural customers and printed the insert on distinctly colored paper to distinguish it from the billing statement and bring sufficient attention to the Notice.

**III. Status of Carrier**

Wes-Tex is a competitive local exchange carrier and considered a non-dominant carrier with respect to the services that it proposes to discontinue in the state of Texas.

**IV. Circumstances of Discontinuance**

The Company's discontinuance of the Affected Services was a business decision based on a lack of customer demand for the services. In the preceding 12 months, the Company has had no instances of a customer utilizing the Affected Services. Therefore, the discontinuance of these services will not adversely affect the Company's customers.

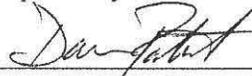

**V. Certification**

On behalf of Wes-Tex Telecommunications, Ltd., I, the undersigned General Manager, Darren Patrick, hereby certify that the statements contained herein are true, complete and correct to the best of my knowledge and made in good faith.

**VI. Conclusion**

For the reasons stated herein, the Company respectfully requests grant of this Application.

Respectfully Submitted,

CUSTOMER NOTICE

April 1, 2016

RE: FCC-Required Notice of Discontinuance of Certain Operator Services

Dear Valued Customer:

This letter is to inform you that on or after May 31, 2016, Wes-Tex Telecommunications, Ltd., (“Wes-Tex”) will no longer be providing certain operator services within the state of Texas. Customers who attempt to utilize the discontinued services will be informed by the operator that the service is not available. Specifically, the following operator services will be discontinued.

- Collect Calls - A billing arrangement by which the charge for a call may be reversed provided the charge is accepted at the called service point.
- Billed to a Third Number - A billing arrangement by which an operator-assisted call may be charged to an authorized service point other than the service point originating the call or the service point where the call is terminated.
- Line Status Verification – An operator service allowing the operator to confirm when a line is idle or in use.
- Busy Line Interrupt – An operator service allowing the operator to break into a conversation when a line is in use.
- Person-to-Person - A service where the person originating the call specifies to the Cooperative operator a particular person to be reached, a particular mobile service point to be reached through a Mobile Telephone Service attendant, or a particular station, department or office to be reached through a PBX attendant.

This discontinuance is limited to the above operator services and will not affect your Wes-Tex service in any other way. Customers will continue to access general operator services, including operator assisted dialing, handling sent-paid calls, handling emergency calls and providing rate quotes where available.

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC’s Electronic Comment Filing System using the docket number established in the Commission’s public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of Wes-Tex Telecommunications, Ltd. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

If you have any questions about this notice or Wes-Tex’s discontinuance of the aforementioned operator services, please contact us at P.O. Box 280, Stanton, Texas 79782 or 432-756-3393.

We thank you for your business and look forward to continuing to serve your communications needs.

Sincerely,

Wes-Tex Telecommunications, Ltd.
