I watch RFD-TV on Dish Network. I must write to ask that the big companies who are trying to push RFD-TV off. I plead for this not to happen. RFD-TV has no violence, no sex, just wonderful programming for the whole family. Some of the programs are inspirational like Gather Gospel Hour of Country Family Reunion. Or good shows like Marty Stuart, Ray Stevens, Daley & Vincent, Larry's Country Diner and old reruns of Hee Haw. And my favorite Joey & Rory show. Joey just died on March 4, 2016 & I would like, in her memory, for these programs & others like it, to stay on the air.
