Re: In the Matter of Applications of Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership for Consent to Transfer Control of Licenses and Authorizations, MB Docket No. 15-149

Dear Ms. Dortch:

On March 30, 2016, Julia Johnson, President of Net Communications, met on behalf of Charter Communications, Inc. (“Charter”) with David Grossman, Chief of Staff and Media Policy Advisor to Commissioner Mignon Clyburn.

During the meeting, Ms. Johnson explained that New Charter’s low income broadband offer will deliver substantial public interest benefits. This service, which will be rolled out within six months of closing, will lead the industry by delivering highspeed broadband at an affordable price, with no additional charge for modem rental. Through this commitment, New Charter will offer underserved communities the opportunity to access the Internet at high-speeds and help bridge the digital divide.

Please contact me if you have any questions regarding these matters.

Sincerely,

/s/ John L. Flynn
