I hated to see Joey leave, but I know she is in a better world. She's in heaven with Jesus, in the arms of Jesus, she's singing with the angels band in heaven now. I miss her singing and her sweet smile, she had a beautiful voice for singing. I watch the show every Sunday night, I enjoyed it very much, I live by myself and I know the Lord watches over me. No doubt about that, like Joey said he's a wonderful God. He truly is, I try to live for him the best I can down here. I've been saved years ago at a Brush Harbor meeting. He is a wonderful Lord and friend. Tell Hopie Hidi and Little Lea Lander I said hello. I wish I could meet you all in person but oneway I will when Jesus call me home. I'm trying my best to make it to Heaven. When he gets ready to call us on matters what wrong with us. well have to go at his calling. We no not where or when, hope you all are doing ok. I hope Joey got to see my card and letter I sent her. I miss her sweet smile and her beautiful voice, would you sen me a picture of little Lander if you have any. She is a beautiful little girl. No matter whats wrong with us, God knows all about it. I've got to do when on the gathers come to visit you Saturday Entertainment. enjoy watching almost every night. I enjoy the all. A year after yours taped it soon be a year now. I enjoy watching it remember in your prayers. I prayed for Joey before God took her home. Barbara Boles
