We are writing this because of proceeding 16-41. My wife and I watch RFD-TV on DirecTV. All of the shows are clean and anyone can watch them. RFD has very informative shows about weather, farming, agriculture and so much more. There are so many entertaining shows that have music, rodeos, horse training and much more. In our home it is watched more than 50% of the time. It is the one of the reasons we are in the more expensive level of DirecTV's subscriptions.

Please do not take RFD-TV off the air. We would be very disappointed.

Please do not take RFD-TV away from us. We absolutely love it
