Please tell the FCC - 16-41 to leave RFD-TV alone. Don't take it off, that is my favorite channel.

I am an elderly 84 lady - I watch it a lot. I have watch it for years I watch every bit of music that is on RFD-TV - all of it!

I don't like the violence on some channels.

I just finished watching Joey & Rory tonight all I can say - is please don't take this channel away from us. I enjoy it so much.

Thank you!
