I want to see all of superior auctions back because of their variety of sales (Horse, cattle, etc.) and because of their adversity of live auctions. Different parts of country and different breeds and genes! I don't need 1/2 a day market reports the other half by different superior auctions are lived and in the now no. 1 year old like Mecum Auction one every Saturday! I pay big money ever month. Also always going on a year with Dish. (and they want me to refer a friend) for same old, same old, double channels which is 90% of their programming! RFD TV being independent can be different from other channels if they have live in the now programs like superior auctions. I don't need my intelligence insulted by super sunrise previews and do auctions! I don't think I'm the only one who feels this way! Superior auctions are a lot more rural meaningful than most of your other programs and live 10 years old. Have you ever considered a gardening program! I hope you can handle. PS Critical read this before you Trash it! Thank for your time. Mr. Stamps
