Email Address: Sylvanaberry@yahoo.com

Organization Name: Macomb community college

Comment: I agree that there should be more attention brought to emergency alerts. I feel that the safety of one is important and the safety of those around you is even as important. The world is a weird and unusual place. Taking further actions to strengthen our emergency alerts I feel is essential. I know if it was my sister, mom, dad, or anyone I love in the area where their is harm I want them to be safe and be aware of the dangers.
