Access Services, RM-10593***

Dear Ms. Dortch:

On April 6, Joe Cavender of Level 3 Communications, LLC and the undersigned held a telephone call with Deena Shetler of the Wireline Competition Bureau. During the call, we suggested that the FCC request that the large price cap incumbent LECs file with the FCC the prices they charge for Ethernet special access services to their five largest Ethernet customers and, to the extent possible, the contracts governing those prices.

Please contact me at (202) 303-1111 if you have any questions regarding this submission.

Respectfully submitted,
