Chairman Wheeler,

I'm writing to urge you to restore broadband competition by fixing the broken market for high-capacity broadband lines. The FCC must address anti-competitive behavior in this market to reach its goal of delivering better, faster, cheaper broadband to all Americans. The future of our information economy depends on it.

As a Deaf person, I need access to reasonably priced broadband service. In the present day market, that just isn't possible. Competition would make it possible.

Thank you. Robert G. Wilson
