Notice of Ex Parte Communications

Dear Ms. Dortch:

This letter serves as an ex parte notice for a meeting on April 6, 2016 among Commissioner Jessica Rosenworcel, Marc Paul (Legal Advisor), Alan Braverman (Senior Executive Vice President, General Counsel, and Secretary, The Walt Disney Company), Richard Bates (Senior Vice President, Government Relations, The Walt Disney Company), and Susan Fox (Vice President, Government Relations, The Walt Disney Company).

During the meeting, the Disney representatives expressed that, given their lack of contractual privity with the third-party set top box manufacturers, programmers are concerned that any enforcement mechanisms that could be adopted by the FCC as part of this proceeding would not adequately assure adherence to the terms governing the distribution of content to the MVPDs, in the first instance.

This letter is being submitted electronically in the above-referenced dockets, which have been granted permit-but-disclose status, pursuant to Section 1.1206(b) of the Commission's Rules. Should you have any questions concerning this submission, kindly contact the undersigned.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Susan Fox". The signature is stylized and cursive.
