**Re: In the Matter of Applications of Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership for Consent to Transfer Control of Licenses and Authorizations, MB Docket No. 15-149**

Dear Ms. Dortch:

On April 6, 2016, Tom Rutledge, Chief Executive Officer of Charter Communications, Inc., and Catherine Bohigian, Charter's Executive Vice President for Government Affairs, met with Chairman Wheeler and General Counsel Jonathan Sallet.

During the meeting, Charter discussed the public interest benefits of its proposed transaction with Time Warner Cable and Bright House Networks and the ways in which it will enhance competition. In particular, Charter discussed the expansion of New Charter's broadband network to new customer locations and its commitments to settlement-free interconnection and broadband service without usage-based pricing or data caps

Please contact me if you have any questions.

Sincerely,
