**Re: Special Access Rates for Price Cap Local Exchange Carriers, WC Docket No. 05-25 and RM-10593, Investigation of Certain Price Cap Local Exchange Carrier Business Data Services Tariff Pricing Plans, WC Docket No. 15-247**

Dear Ms. Dortch:

On Tuesday, April 13, I met separately with Nick Degani, Legal Advisor to Commissioner Pai; Travis Litman, Legal Advisor to Commissioner Rosenworcel; and Amy Bender, Legal Advisor to Commissioner O’Rielly. In all of the meetings I explained that the terms and conditions in Verizon’s voluntary, generally available tariff discount plans, including the requirement to purchase demand from a single plan, are just and reasonable. In these plans, Verizon and the customer both realize the benefit of the bargain. Any requirements to change the plans should not result in one party realizing benefits beyond those included as part of the original agreement.

Sincerely,
