

FEMA

April 14, 2016

Admiral David Simpson  
Public Safety and Homeland Security Bureau  
Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554

Via email: [David.Simpson@fcc.gov](mailto:David.Simpson@fcc.gov)

Dear Admiral Simpson,

This letter is to inform you of FEMA's intent to conduct a National EAS Test on Wednesday, September 28, 2016. We should meet to discuss technical details and other matters related to the proper execution of this test in the near future. Antwane Johnson, , will serve as my POC to work with your staff to coordinate a meeting to discuss test details.

Regards,

A handwritten signature in black ink, appearing to read "Roger L. Stone".

Roger L. Stone  
Assistant Administrator (Acting)  
National Continuity Programs  
Federal Emergency Management Agency
