RE: Section 63.71 Application of Windstream Services, LLC

Dear Ms. Dortch:

On April 4, 2016, Windstream Services, LLC (“Windstream”), on behalf of certain of its competitive local exchange carrier affiliates, filed with the Commission an Application for Authority to Discontinue Certain Services (“Application”). The Application included two incorrect items that Windstream corrects in this filing.

First, the customer notice provided in the Application did not include Windstream’s address or the geographic areas of service affected by the filing. On April 18, 2016, Windstream mailed the attached revised notice to all affected customers.

Second, the Application stated that the discontinuance would take place May 1, 2016 and the customer notice stated that it would take place on June 4, 2016. Windstream hereby confirms that the discontinuance will take place on June 4, 2016, as stated in the customer notice.

Sincerely,

A handwritten signature in black ink that reads "Cesar Caballero" with a stylized flourish at the end.
