EX PARTE LETTER

RE: *WC Docket No. 05-25, RM-10593*

Dear Secretary Dortch:

On April 18, 2016, Sheba Chacko, Senior Counsel and Head, Americas Regulation and Global Telecoms Policy, BT Americas Inc. followed up with Eric Ralph, Chief Economist of the Wireline Competition regarding a point of clarification about the UK price cap regime applicable to leased line access services in the UK. Ms. Chacko confirmed that she has not been able to discover instances in which BT plc has publicly expressed a view on the issue on whether price caps in the UK appropriately capture variations in cost across geographic territories.

If you have any questions regarding any matters discussed herein please contact the undersigned.

Sincerely,

A handwritten signature in blue ink that reads 'SChacko'. The signature is written in a cursive, slightly stylized font.

Sheba Chacko
Head, Americas Regulation and Global Telecoms Policy,
BT Americas Inc.
