Re: Special Access Rates for Price Cap Local Exchange Carriers, WC Docket No. 05-25 and RM-10593

Dear Ms. Dortch:

Today, I met with Rebekah Goodheart, Legal Advisor to Commissioner Clyburn, to discuss the above captioned proceeding. I explained the importance of seeking comment on how to structure regulation of Business Data Services in markets that are not sufficiently competitive, in particular: 1) the structure of a price cap regime for new services and providers; 2) regulatory structures that encourage competitive entry; 3) regulatory structures that will not impede the transition to IP services; 4) wholesale obligations; and 5) transitions for all or nothing discount plans.

Sincerely,

A handwritten signature in cursive script that reads "Maggie McCreedy".
