To whom it may concern ever since the tv signal has been changed from analog to digital signal I a new tv with new antenna and I have about three thousand dollars tied up with the tv and antenna with a remote control rotor and now I am going to spend more more money to watch tv so can someone tell why I have to spend more money that I have to watch tv it was better with analog .
Can someone help me out I like to watch tv just like any one else does and I don't want any type of pay tv I can use that money for something else so tell me what has to be done
