Re: WC Docket No. 10-90 - Helix Telephone Company - Census Block
410599504001042

To Whom It May Concern:

This letter will confirm that Eastern Oregon Telecom, LLC (EOT) does not offer voice telephone service in Census Block 410599504001042. That census block was included in EOT's FCC Form 477 deployment data by mistake, and the Form 477 filings for June 30, 2015 and December 31, 2015 have been corrected.

Sincerely,

Paul Keeler, CFO
