Re: WC Docket No. 10-90 - Comments of Cascade Utilities, Inc. d/b/a Reliance  
Connects

Dear Ms. Dortch:

I represent Cascade Utilities, Inc. d/b/a Reliance Connects ("Reliance Connects"). This letter is filed on behalf of Reliance Connects in the challenge process related to unsubsidized competitors for purposes of the Alternative Connect America Cost Model (A-CAM) as described in DA 16-378 issued under the above-referenced Docket.

Attached hereto as Exhibit 1 is a list of ninety census blocks (the "Census Blocks") that are listed according to Form 477 as being served by Douglas Fastnet. Reliance Connects and Douglas Fastnet have consulted. Douglas Fastnet agrees that its June, 2015 FCC Form 477 listed the ninety Census Blocks in error and that, in fact, Douglas Fastnet does not provide service to those ninety Census Blocks. The Census Blocks are in the Elkton Exchange served by Reliance Connects as an incumbent local exchange carrier.

Attached as Exhibit 2 is a letter from the Manager of Douglas Fastnet confirming that it does not provide service in the ninety Census Blocks listed in Exhibit 1.

Based on this information, Reliance Connects respectfully requests that the final version of the A-CAM be modified to reflect that an unsubsidized competitor does not provide service in the Census Blocks set out in Exhibit 1.
