Re: WC Docket No. 10-90 - Comments of Douglas Services, Inc. d/b/a Douglas
Fastnet

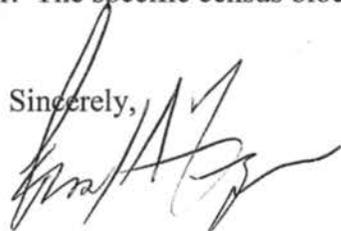

Dear Ms. Dortch:

Douglas Services, Inc. d/b/a Douglas Fastnet ("Douglas Fastnet") is filing these comments under the challenge process set out in DA 16-378 in the above referenced Docket. These comments will confirm that as to the list of census blocks contained in Exhibit 1 attached hereto, Douglas Fastnet does not provide voice or broadband service in those census blocks. Those census blocks are part of the Elkton Exchange served by Cascade Utilities, Inc. d/b/a Reliance Connects as an incumbent local exchange carrier.

Reliance Connects is a transport customer of Douglas Fastnet. Douglas Fastnet does not compete for retail customers with valued transport customers such as Reliance Connects.

Pursuant to the information set out in Footnote Fourteen of DA 16-378, Douglas Fastnet's FCC registration Number (FRN) is 0001566306. Douglas Fastnet corrected its June, 2015 FCC Form 477 on April 22, 2016. The Form 477 should be viewed as corrected as of the June, 2015 filing since the census blocks were included by error. The specific census blocks to be removed from the served list are set out in Exhibit 1.

Sincerely,

RICHARD A. FINNIGAN
