Petition for Reconsideration to Approve FRN

CC Docket No. 02-6

**Federal Communications Commission

To whom it may concern;

**Appellant Name: Cricky Cirillo, consultant for applicant.
Applicant: Jupiter Christian School
Applicant BEN #: 37445
Applicant Form 471 #: 1024261**

Jupiter Christian followed all the rules when it came to signing a contract for their WiFi services. A Form 470 was filed; they waited their 28 days and gathered bids. After their Allowable Contract Date they signed a contract and sent it to eRate Program LLC to file the Form 471. We filed the Form 471 and waited for approval by USAC. When USAC denied the FRN it took me some time to find out exactly why and to gather documents to file an appeal with the FCC. We respectfully request that you reconsider your denial of FRN 2780474 and approve it so Jupiter Christian can get E-Rate discounts for their new WiFi services.

Respectfully,

We filed for Jupiter Christian School BEN 37445 for their Category 2 services. USAC denied it because the contract was signed out of window. We filed the Category 2 Application the day we received their signed contract. I have attached a copy of the contract and the Application Page I printed off when I filed the appeal with USAC. I circled the Date Submitted which is the date of the signed contract. We respectfully request that the FCC evaluate the filing for FRN 2780474 and the attached documents and allow the approval for Jupiter Christian's Category 2 services.

Administrator's Decision on Appeal – Funding Year 2015-2016

November 13, 2015

Re: Applicant Name: JUPITER CHRISTIAN SCHOOL
Billed Entity Number: 37445
Form 471 Application Number: 1024261
Funding Request Number(s): 2780474
Your Correspondence Dated: September 19, 2015

After review of the information and documentation provided, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of USAC's funding commitment decision for the FCC Form 471 Application Number and funding requests number(s) FRN(s)) referenced above. This letter provides an explanation for USAC's decision. The date of this letter also begins the sixty (60) day time period for appealing this decision. If your Letter of Appeal included more than one FCC Form 471 Application Number, please note that you will receive a separate decision for each funding application.

Funding Request Number(s): 2780474
Decision on Appeal: **Denied**
Explanation:

- At the time the FCC Form 471 was submitted, a legally binding agreement with your service provider was not in place. The documentation that was submitted for the Appeals Review for this application corroborated these findings. Consequently, your appeal is denied.
- USAC has determined, that at the time you submitted your FCC Form 471 application, you did not have a contract or a legally binding agreement with your service provider(s), which met your state and local or the FCC's definition of a contract or a legally binding agreement. *See 47 C.F.R. sec. 54.504(a).* Except for services to be delivered under non-contracted tariff or month-to-month arrangements, FCC rules require that applicants submit a completed FCC Form 471 "upon entering into a signed contract or other legally binding agreement for

eligible services.” The existence of a written offer from the service provider containing all the material terms and conditions and a written acceptance of that offer is considered evidence of the existence of a legally binding agreement. In addition, after a commitment of funding, an applicant’s receipt of services consistent with the offer and with the applicant’s request for E-rate support will also constitute evidence of the existence of a sufficient offer and acceptance. *See* In the Matter of Modernizing the E-rate Program for Schools and Libraries, WC Docket No. 13-184, Report and Order and Further Notice of Proposed Rulemaking, FCC 14-99 para. 204 (rel. Jul. 23, 2014). The services you requested are not non-contracted tariff or month-to-month services and you did not demonstrate that there is a contract or a legally binding agreement in place for those services. In your appeal, you did not demonstrate that USAC’s decision was incorrect. As USAC does not have authority to waive the FCC rules of the program, your appeal is denied.

If you wish to appeal this decision, you may file an appeal pursuant to 47 C.F.R. Part 54, Subpart I. Detailed instructions for filing appeals are available at: <http://www.usac.org/sl/about/program-integrity/appeals.aspx>.

We thank you for your continued support, patience and cooperation during the appeal process.
