To Whom it May Concern! FCC 16-41

I don't know why these stations want to take RFD TV off of our Direct TV. This is about all we watch. There is nothing decent to watch any more.

We are an elderly, we don't get out much anymore. My husband has lung cancer - has had pancreatic cancer.

Dear FCC 16-41

RFD is the most favorite stations in our house hold. We would be very disappointed if it was taken off the air.

Many of our friends watch RFD as well. Please re-consider.

Thank you very much,

If you cancel this channel - we are seriously considering cancelling our Direct TV contract - There is absolutely nothing on Direct TV that we are interested in - Most of it is trash -

Dear Sirs:

I'm writing in regards to the talk of discontinuing RFD to be telecast-

RFD is one of the best channels to watch. It has good programs that all ages can watch + enjoy - Many stations have terrible shows.

I enjoy Country Music shows, Polka music Gentle Giants, Rodeos, Cowboy church & our local Sandstone Mnsn. Shows - Also Many more.

I'm a senior & spend a lot of time watching TV & sure would hate RFD to be taken off. I even pay extra to see it - Its my favorite channel.

Hopefully they will change their minds after getting lots of letters. What is their reasoning anyway to discontinue it?

Sincerely
Betty Hofstad

FCC,

Regards to RFD TV!!

Agricultural is the Backbone of this Country. Feeding so many in foreign Countries, and the USA. Many of the Farmers went into the military to fight in World Wars. For you to be "presudice" Yes!! is very unAmerican And disgusting. We raised 4 Sons on our Farm. They know work ethics. Is that what you see And hear on TV NOW?? Give me this! Give me that. Finally this on hands Knowledge is showing up in schools. The numbers of Farms have decreased, but people still need reliable food source, And care for Animals & people.

Please be respectful Americans And

Dear FCC -16-41

I received RFD-TV by
direct TV. I objected
not like to see it taken off TV,
as it was my favorite station.

I live on a farm and the
rural area and Nebr. & it was
important to me to see all the
agricultural news & markets, as
that is our way of life. There are
not that many left in the big city
& urban way of life.

I generally enjoy the cooking
shows, travel shows, country,
Red Steagall, history shows, Country
Family Reunion, Larry's Country Diner
and Nac - Nac. Country Church.

Please leave RFD-TV on
direct TV as an independent channel.
It is so meaningful to me.

Sincerely,
L. P.

Dear Sirs!

Again, I'm writing concerning R.F.D. T.V. Programing. I'm asking you, Please, do not remove it. I'm writing on behalf of myself & friends. It is so benefical for the farmers. The Country Music shows can't be beat, for all of us older senior citizens who enjoy that kind of Programs. They are few & far between, in this day & time. It would be nice if there were more decent things on T.V. to watch, instead of all the screaming & hollering at each other. Also the fighting, the language that is used. What kind of example is that? It seems to me there could be more decent shows on most all the T.V. Channels. Something that would have a good impression, especially on the younger people & kids. Shows that show loving families, & caring for other people.

DOCKET FILE COPY ORIGINAL

Please consider what I've said, & leave R.F.D alone. Maybe, have some more different country music shows to go with what you already have.

Over →

Take all us seniors & even some young folks, likes, into consideration.

Just please don't remove R.F.D.

Thank You,
Sincerely
Barbara Holley

Dear FCC, proceeding 16-41

My folks watch RFD-TV; they recently got DirectV so they could watch decent shows such as RFD-TV. They are home a lot and enjoy RFD-TV. they are retired from farming and need to keep their minds on positive topics.

Please keep RFD-TV on the air.

RFD-TV has a positive economic impact - employees numerous people. →

So please help keep RFD-TV on the air for the many hard working older folks.
