**Re: Applications of Charter Communications, Inc., Time Warner Cable Inc., and
Advance/Newhouse Partnership for Consent to Transfer Control of Licenses and
Authorizations, MB Docket No. 15-149**

Dear Ms. Dortch:

On May 2, 2016, Tom Rutledge, President and Chief Executive Officer of Charter Communications, Inc., spoke by telephone with Commissioner Pai. During the conversation, Mr. Rutledge urged approval of the Transaction, and explained that the Transaction will deliver numerous public interest benefits, including increased network buildout, faster broadband service, and an industry-leading low-income broadband offer. Mr. Rutledge also explained that, contrary to the claims of the Transaction's opponents, the Transaction will have no corresponding negative impact on consumers.

Please contact me if you have any questions.

Sincerely,

/s/ Samuel L. Feder
