Stop The Discrimination By the Cable Companies!

I'm a Time Warner Cable customer and enjoy the good programming RFD provides.

I'm also a senior citizen and a country resident with an ag background and enjoy seeing things that relate to country living. I really enjoy Sat and Sunday night Music shows that are on it

Dear Sirs:

We wish you would not Remove RFD-TV from your programs schedule.

This is the only channel that has decent agriculte + music shows. A great percentage of your programs are of questionable liking to watch. Why would you want to have another garbage program in place of RFD-TV?

To Whom It May Concern

You need to stop Cable Companies from Dropping RFD TV

Folks like hearing the good music, tractor auctions and other Country News.

It's much better than listening to sports like Foot Ball, Base Ball or Basket Ball Games all day Sat and Sunday

In General there is just a lot of junk on TV Home Shopping is another one that is a waste of time Thanks for Listening, Brad Busse

FCC: we like RFD-TV, we don't just like it, we will not miss some of the programs. When you live in a rural area like we always have, you appreciate watching anything that relates to our life style.

It would be really bad to deprive us of the opportunity to watch it.

I hope you will leave it like it is.

Gentlemen:

Having grown up on a farm RFD-TV offers shows that are of interest to me. I especially like the musical programs - Marty Stuart, Larry's Country Diner, The Gaither Gospel Hour & others. I urge you to support this Independent station & its programs. The BIG companies are always trying to overpower the little Guy & put him out of business. Yet it is the smaller company's that have made this Country prosper.

Keep up the good work at RFD-TV

Yours truly

To whom it may concern:

I grew up on a farm during a time when the radio was the only entertainment we had.

I grew up on country music. Now the only time I get to hear and see the country music entertors are on the RFD channel. Please don't take that away from me and the others who grew up during the 1930's and 1940's.

there is nothing fit to watch on TV anymore, especially if your great-grandchildren are around.

I am writing in regards to trying TO take RFD TV off of Cable TV. They have most of my favorite programs, and I don't want To see them go off.

If you Try to take it off I will be canceling cable! There is rarely anything good on many of the cable shows, and I'm sick of all the Violence on cable. Looks like you could leave the good programs on!

To whom this may concern —

We are writing to you about this nonsense of taking RFD T.V off the air - its the only net work that does not use filth + anti - family programs.

This is suppose to be a country that honors all people + their interest. All we get on T.V is filthy programs on most stations or worse.

To block or banned this family channel is against our constitutional rights -

This country is truly going down hill if this happens DOCKET FILE COPY ORIGINAL

Shame on you all who have a part in this!

To Whom This Concerns:

I am a widow Lady of 88 yrs. old-
I Love this Channel (RFD),

Friday afternoons, Saturday evening and Sunday nights, the Blue Grass music - I just love to hear it, Gentle Giants - So much Good Programming.

The many Farm Shows, Tractor Pulls - The Ag News - The Equine Shows with the Horses - so many good Shows & Programs. Sunday Mornings, the Ag news, Please dont take this channel away. It's really the best Programming Going on Satellite - The People like me paying for Good television and the FCC wants to take it away - I think that is just awful.

I'm praying with all my heart that this will continue to be broadcast. It breaks my heart - So many people love to watch RFD. Please let it stay like it is - Please Consider the hurt it would do for so many people. O.K - that's all I'm saying. I'm Praying, my voice will be heard. God Bless you all on R.F.D. T.V.

Dear Sirs, DOCKET FILE COPY ORIGINAL

I am writing to you to support your continuing to have RFD channel in your programs. I and my husband so enjoy this channel because we both grew up in the rural setting on farms. I also enjoy the music shows they produce. Marty Stewart shows, Polka Shows, + Farm, Country Digest horse shows, Gospel shows, shows with the Prestleys are just a few of the very enjoyable shows we watch faithfully every week. I hope we haven't become so polarized as to forget these kinds →

of shows for us seniors. It seems
No matter where you turn today -
everything revolves around the
teens and young adults for
clothing, music, even in church
everything caters to these groups.
Please leave RFD TV as it
is on our channels.

Sincerely,

Bonita S. Gafferty

P.S. Remember the teens aren't
paying for these programs
to come to my home. I do.
