Re: ViaSat, Inc., Notice of Ex Parte Presentation

WC Docket Nos. 10-90, 14-58, 07-135, 05-337, and 03-109; GN Docket No. 09-51; CC Docket Nos. 01-92 and 96-45; WT Docket No. 10-208

Dear Ms. Dortch:

On May 11, 2016, Chris Murphy, Associate General Counsel, Regulatory Affairs, ViaSat, Inc. and the undersigned counsel to ViaSat, Inc. met with Rebekah Goodheart, Legal Advisor to Commissioner Clyburn, regarding Phase II of the CAF.

We emphasized ViaSat's support for an objective, and competitively-neutral, market-based mechanism that distributes CAF support to the lowest cost bidder and we briefly discussed ViaSat's April 14 and February 2, 2016 submissions in these proceedings. We also discussed the opportunity and other business costs involved with committing to CAF areas for ten years. Based on those considerations, we indicated that providing support only to the extent a customer is receiving CAF-supported services at any given time is neither (i) consistent with the business case, nor (ii) consistent with how the CAF is administered for other providers. We remain open to alternatives, but they must be consistently applied to all bidders and providers.

Please contact me with any questions.

Respectfully submitted,

/s/
John P. Janka
