Re: Letter in Support of State E-rate Coordinators' Alliance Petition for Reconsideration of Order DA 16-448, Petition for Waiver and Petition for Rulemaking, CC Docket No. 02-6

Dear Secretary Dortch:

I am writing in support of the Petition submitted by the State E-rate Coordinators' Alliance on May 12, 2016. The SECA Petition asks the FCC to grant relief to applicants that missed the invoice deadline and are unable to file reimbursement forms and receive their E-rate funding.

Our District is one of the entities affected by the new, inflexible invoicing deadlines. We submitted our BEAR on time, but our vendor inadvertently cancelled the BEAR instead of certifying it. At that point, it was too late to submit an invoice deadline extension.

We respectfully request that the FCC grants the SECA Petition.

Sincerely,

Joseph Renzi  
Superintendent  
Salisbury-Elk Lick School District
