Re: Sandwich Isles Communications, Inc., Petition for Declaratory
Ruling, WC Docket No. 09-133

Dear Ms. Dortch:

On May 17, 2016, on behalf of the National Exchange Carrier Association, Inc. ("NECA"), I spoke by telephone with Pamela Arluk, Chief of the Pricing Policy Division, Wireline Competition Bureau, Federal Communications Commission, in the above-captioned matter.

I urged the Commission to take prompt action because the refresh comment period is now complete. In response to a question, I described NECA's position with respect to NECA's current view on the used and useful nature of the Paniolo cable system lease and related expenses. This position was fully described in NECA Refresh Comments at pages 15-16, 19 (filed Apr. 28, 2016) and NECA Refresh Reply Comments at pages 11-13 (filed May 9, 2016), both pleadings filed in the above-captioned docket.

Pursuant to 47 C.F.R. § 1.1206, please include this ex parte filing in the above-referenced docket.

Sincerely,

/s/ Gregory J. Vogt
