My name is David Johnson. I live in Hampton, GA and I watch RFD-TV on ATT Uverse channel 568. I hope they will continue to offer this channel. It is the only channel the whole family can sit down and watch together. If ATT drops RFD-TV, I can assure you, I will drop them. This channel is very important to those of us around here with small farms and gardens. It is the most educational channel on tv. I hope you realize how important it is to those of us that have it and enjoy it.

Thank you for your consideration in this matter.
