**Re: RM-11738
Notice of *Ex Parte* Presentation**

Dear Ms. Dortch:

On May 18, 2016, Mark Crosby, President/CEO of the Enterprise Wireless Alliance (“EWA”), Morgan O’Brien, Vice-Chairman of pdvWireless, Inc. (previously Pacific DataVision, Inc.) (“PDV”), Paul Margie representing PDV, and undersigned counsel met with Edward Smith of Chairman Wheeler’s office. EWA/PDV described the history and current utilization of the Part 90 900 MHz band, as well as the substantial additional utility and efficiency that would be produced by adopting the joint EWA/PDV Petition for Rulemaking. They noted that they had responded promptly and completely to all questions and requests for information from the Commission, emphasized the public benefits of an expeditious resolution by the Commission, and pledged to provide any additional information needed to facilitate the timely issuance of a Notice of Proposed Rulemaking.

This letter is being filed electronically, in accordance with Section 1.1206(b) of the Commission’s Rules, 47 C.F.R. § 1.1206(b), for inclusion in the record in this proceeding.

Kindly refer any questions or correspondence regarding this matter to the undersigned.

Very truly yours,

Elizabeth R. Sachs
