To Whom It May Concern,

I am appealing the decision made by the USAC to fund a percentage of our ERATE request. Our Form 471 was approved for \$20,195.40 and for whatever reason it was determined that we would only receive \$10,425.00.

Billed Entity Number: 134454  
Form 471 Application Number: 1018890

I would like a reason for this. Our request fits the requirements put forth by USAC to receive funding. I have called USAC three times and have gotten nowhere. I just want justification as to why we did not receive funding and what I can do to get the full amount that was initially approved.

Sincerely,

Dr. Michael McNeff  
Superintendent of Schools.
