WC Docket Nos. 10-90, 05-337

Dear Ms. Dortch:

The enclosed filing by Alaska Communications refers to certain information submitted by General Communication, Inc. (“GCI”) in this proceeding that is marked as Highly Confidential Information under the Second Protective Order in the above-captioned dockets.¹ Accordingly, Alaska Communications has marked each page of the Stamped Highly Confidential Document with the legend required in the Second Protective Order and indicated that, because the document contains Highly Confidential Information, copying is restricted. Simultaneously herewith, Alaska Communications hand-delivered to your office one copy of the Stamped Highly Confidential Document, plus two copies addressed to Katie King in the Wireline Competition Bureau. One copy is being served on GCI, the Submitting Party.

Please find herewith two copies of the Alaska Communications filing that have been redacted for public inspection (the redacted version also is being filed via ECFS in the above-captioned dockets).

Please direct any questions regarding this matter to me.

Very truly yours,

Karen Brinkmann
