DOCKET FILE COPY ORIGINAL

In the original Form 471's I filed, FRN #2854657 and FRN# 2856408, I incorrectly stated the PRE-discounted monthly charges.

This is what I submitted:

A monthly discounted charge of \$15,540 which is actually the semi-annual cost for the three libraries before the pre-discount.

I submitted a RAL but did the monthly total AFTER assuming a 60% the discount for the correct three Libraries. (\$1036).

So, below shows the correct monthly rate pre-discount for the three Libraries.

Harlem	\$560 per month pre-discount
Euchee Creek	\$840 per month pre-discount
Evans	\$1160 per month pre-discount

Pre-discount \$2590 per month * 12 months = \$31,080

For the Warren County Library, I submitted the quarterly charge assuming a 60% discount as the monthly rate. I submitted a RAL and which corrected from quarterly to monthly but still the DISCOUNTED rate (\$673).

So, below shows the correct monthly rate pre-discount for Warren County:

Warren County \$1682.50 per month pre-discount

Pre-discount \$1682.50 per month * 12 months = \$20,226
