CC Docket No. 02-33

Communications 1 Network, Inc. hereby provides notice that it intends to cease offering wireline broadband internet access service on a tariffed basis. Effective July 1, 2016 Communications 1 Network will begin offering wireline broadband internet access service on a Title II, common carriage, permissive detariffed basis pursuant to paragraph 94 of the Federal Communications Commission's Wireline Broadband Order¹. The geographic areas affected are those Communications 1 Network, Inc. exchanges where DSL is technically feasible.

Today, this service is provided to Communications 1 Network, Inc. ISP. The ISP purchases wireline broadband access service for use as a component in their broadband internet service sold to residential and business consumers. End user service provided will not be affected by discontinuance of the tariffed offering by Communications 1. As stated in the attached customer notice Communications 1 will continue to offer services to existing ISP customers under current rates, terms and conditions until the end of their current term or upon replacement with a Broadband Commercial Agreement.

Communications 1's rates, terms and conditions for its permissively detariffed wireline broadband access service will be available at its office located at 105 South Main Street, Kanawha, Iowa 50447 and on its website at <http://comm1net.net/>
