Please extend/waive the due date of May 26th 11:59pm on the following Forms 471: #161050123 MeITel and #161050117 Comcast. Our school was under the understanding that a Form 470 did not have to be filed since our school has such a small reimbursement amounts for Voice & Internet Access.

Please kindly approve this request for an extension/waiver on our Forms 471 (#106050123 & #161050117) because our Forms 470 must be in effect until June 23, 2016. Then after that date, we can continue to Certify our 2 Form 471s.

Appreciated,
