Dear Sir or Madam,

Our school, St. Joseph Hill Academy Elementary School, is requesting an extension to the E-Rate Program's Form 471 filing deadline of May 26, 2016. Our BIN number is 10324. Our Form 470 application number is 160046451.

St. Joseph Hill Academy's Form 470 was filed late. It was filed on May 30, 2016. We are not able to file our Form 471 until after June 28, 2016.

An extension is being requested as our previous consultant informed the school that she was no longer able to file the E-Rate Forms on our behalf.

If you have any questions, I may be contacted at telephone number 718-447-1374, extension 9109. My email address is elmlibrary@stjhill.org

Thank you for your help in this matter.

Sincerely,

Eileen White
