Please

I oppose robocalls to my cellphone and its always without permission and throughout the day.

Please consider strict guidelines on how and when debt collectors are allowed to contact me on my cell phone.

Example:

??Debt collection robocallers must notify me of my right to stop receiving calls  
?The number of allowed calls or texts should be limited to no more than three per month, and only to those who directly hold federal debt - not friends and family  
?The guidelines should be clear and readily available

Thank you
