The Problem: The ROWVA School District #208 has been receiving services from Oneida Telephone Company in Oneida, Illinois. Since FY 2003 to present, the Oneida Telephone Company has not filed a FCC Form 473. The ROWVA School District #208 is seeking to retrieve funds from FY 2003 to FY 2013. We are seeking these funds because we have not had the opportunity to receive them due to the service provider not filing a FCC Form 473 for multiple years. Information below and attached documents will show the FRN, 471's, SPIN and committed amounts.

Solution: In USAC's denial of appeals, they reiterate the filing deadline as the focus of their denial. My concern with the denial is that the emphasis of not having a FCC 473 Form has been overlooked. In any event, the ROWVA School District #208 would like the opportunity to file for any money they would have received from FY 2003 to FY 2013. This would allow ROWVA the opportunity to receive funding that was unavailable due to the lack of a FCC Form 473 by Oneida Telephone Company.

Yours in education,

Joe Sornberger

Superintendent

After thorough review and investigation of all relevant facts, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of USAC's Funding Year 2006 Administrator's Decision on Invoice Deadline Extension Request Letter for the Application Number indicated above. This letter explains the basis of USAC's decision. The date of this letter begins the 60 day time period for appealing this decision. If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number(s): 1383572, 1383582
Decision on Appeal: **Denied**
Explanation:

- FCC rules require that Invoice Deadline Extension requests be filed by the end of the relevant invoice receipt period for the service category of the FRN requiring an extension. The invoice receipt deadline is 120 days after the end of the service delivery date or 120 days after the date of the Form 486 Notification Letter, whichever is later. USAC denied your request for Invoice Deadline Extension because the request was not filed in a timely manner. On appeal, you have not provided extraordinary circumstances that prevented you from requesting an Invoice Deadline Extension in a timely manner. Since USAC's decision was consistent with the FCC rules, your appeal is denied.

Since your appeal was denied in full, dismissed or cancelled, you may file an appeal with the FCC. Your appeal must be postmarked within 60 days of the date on this letter. Failure to meet

this requirement will result in automatic dismissal of your appeal. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found under the Reference Area/"Appeals" of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.
