Re: *Rules and Regulations Implementing the Telephone Consumer Protection Act of 1991, CG  
Docket No. 02-278*

Dear Ms. Dortch:

On 2 June 2016, I had a brief conversation with Commissioner Pai regarding EEI's pending petition in the above-referenced matter.<sup>1</sup> I indicated that the entire electric industry was awaiting the Commission's long-delayed decision in this matter and that, with summer storm season approaching, this was a public safety issue that deserved immediate action.

If you require any additional information please contact the undersigned.

Sincerely,

Scott Blake Harris  
*Counsel for Edison Electric Institute*

cc: Commissioner Pai
