Robocalls left on voice mail should be illegal.

Robocallers should have to reimburse individuals for the cost and other expenses that their calls/text messages cause.

The number of allowed calls and/or texts should be limited to no more than two per month, and only to those who directly hold federal debt - not friends and family. The guidelines should be clear and readily available.

Debt collection robocallers must notify us of our right to stop receiving calls.

There should be stiff penalties applied for not complying.
