REQUEST FOR WAIVER OF 471 APPLICATION

Sioux Center Christian School, a rural school in Northwest Iowa (10% E-rate discount), respectfully requests a waiver of the 2016-17 Form 471 application.

We missed the deadline due to a large number of school tasks and events that called the staff member working on the form away. The events that transpired kept them from checking the boxes and legal "signatures" of the very last page. We discovered the mistake the day after the deadline around noon.

This application contains the all important Voice Access from Premier Communications, Inc (SPIN 143015707) for our children and educators and we simply need the discount to continue our work of educating our high risk students.

We are filing this waiver request today because we are unsure of when we will receive an actual OOW – Out Of Window Notification. We understand that all documents for 2016 and forward will be in the portal, but we don't know when we will receive the OOW.

Thank you so very much for your support in granting this request for waiver of the filing deadline of May 26, 2016, and we look forward to another year of discount on our Internet Access and voice services.

Respectfully submitted this 7th day of June, 2016.
