Cintex Wireless, LLC

Dear Secretary Dortch:

Cintex Wireless, LLC ("Cintex Wireless") respectfully submits this letter in response to the Public Notice issued by the Wireline Competition Bureau (the "Bureau") on May 18, 2016, in the above referenced dockets. The Bureau requested that any carrier with a compliance plan, or petition for designation as an eligible telecommunications carrier ("ETC"), currently pending before the Federal Communications Commission (the "Commission"), affirm that the carrier remains interested in having the Commission review these items.

Cintex Wireless affirms that it continues to seek approval of its compliance plan and continues to seek designation as an ETC.

In the event that you have any questions, please contact the undersigned.

Respectfully submitted
