In re: **The Stanwich School**  
Billed Entity Number: 16068722  
Appellant: E rate Solutions Group  
Fund Year: 2015 FCC Form 471:161074910 (category 1) & 161057967 (category 2)

Dear Ms. Dortch:

This is a "Letter For a Waiver of the time to file for 471 Apps 161074910 & 161057967 - See the enclosed letter which describes the initial circumstances that required the need for a waiver request.. In addition the EPC system will not allow for the entity information to be updated until after July 23, 2016 which prevents the completion of the above referenced Form 471's. The above referenced EPC issue has been escalated by USAC and the Ombudsman as per Case 93218 which describes that updating of entity profile information which includes discount information is not allowed at this time.

Therefore we are formally requesting a Waiver of the time to file to allow USAC to correct the EPC system error which is preventing the filing of the above referenced form 471's.

**PLEASE NOTE THAT THE SYSTEM WAS FINALLY CORRECTED TODAY AND THE ABOVE MENTIONED FORM 471's WERE FILED – THIS IS AN UPDATE TO A REQUEST THAT WAS FILED ON 6/9/16 – confirmation # 201669533247**

I believe that the intent of the program is to make sure all eligible schools and libraries receive phone, internet access and internal networking equipment maintenance services as well as internal networking equipment. This school should not be penalized due to any delays in providing requested information which was beyond their control. I sincerely hope that this material will be reviewed and the application reviewed on the information previously provided.

Thank you,
