**Re: Notice of Ex Parte Presentation, MB Docket 16-42, CS Docket 97-80**

Dear Ms. Dortch:

On June 10, 2016, Robert W. Quinn, Jr., Lindsey Knapton and the undersigned of AT&T Services, Inc. met with Marc Paul, Legal Advisor to Commissioner Jessica Rosenworcel, and Jennifer Thompson, Special Advisor to Commissioner Jessica Rosenworcel. We discussed the demonstration of applications-based delivery of video programming and of multi-channel video programming distribution (MVPD) services available today in the market that they attended at the offices of the National Cable & Telecommunications Association (NCTA) on June 2, 2016. In particular, we discussed the development of HTML-5 applications for the delivery of MVPD services to third party devices and how applications generally address the concerns raised in this proceeding regarding privacy, piracy and copyright.

Respectfully submitted,

/s/ Stacy Fuller
