**SECOND AMENDMENT TO JOINT APPLICATION FOR DOMESTIC  
TRANSFER OF CONTROL**

**I. Introduction**

Axia NetMedia Corporation (“Axia Canada” or “Transferor”), Axia NGNetworks USA, Inc.<sup>1</sup> (“Axia U.S.” or “Licensee”), and Digital Connection (Canada) Corp. (“DCC” or “Transferee”) (collectively “Applicants”) through their undersigned counsel and pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and Section 63.04 of the rules of the Federal Communications Commission (“FCC” or the “Commission”), 47 C.F.R. §63.04, filed an application on April 5, 2016 for approval to transfer control of Axia U.S., a non-dominant carrier holding blanket domestic Section 214 authority from the Commission to provide interstate telecommunications services (the “Application”). On June 10, 2016, the Applicants filed an amendment to the Application, correcting several factual errors and omissions (the “First Amendment”). Subsequently, the FCC requested that the Applicants revise the Application to include information about the citizenship and equity percentages of Partners Group Holding AG’s (“PG Holding”) owners. Consequently the Applicants are filing this second amendment to the Application (the “Second Amendment”) providing address, equity percentage, and principal business information as required by 47 C.F.R. § 63.04(a)(4) and requested by the FCC.

<sup>1</sup> Axia NGNetworks USA, Inc.’s FCC Federal Registration Number is 002-255-8662.

## I. Additional Owners of DC Luxembourg

As outlined in the Application and First Amendment, upon completion of the transaction, Axia Canada will be wholly owned by DCC, which in turn is wholly owned by Digital Connection (Luxembourg) S.a.r.l. (“DC Luxembourg”), which in turn is owned by funds indirectly controlled by PG Holding, a Swiss private investment firm. PG Holding is traded publicly on the SIX Swiss Exchange. Approximately 45% of PG Holding's shares are owned by its employees and partners. As of December 31, 2015, PG Holding has three owners that hold a 10-percent or-greater direct or indirect interest in DC Luxembourg. These three 10 percent interest holders do not have a 10 percent or greater interest in any domestic telecommunications providers.

Name	Address	Country of Citizenship	Principal Business	Equity Percentage
Dr. Marcel Erni	Zugerstrasse 57 6341 Baar-Zug Switzerland	Switzerland	Founder, CIO, board member – PG Holding	10.0%
Alfred Gantner	Zugerstrasse 57 6341 Baar-Zug Switzerland	Switzerland	Founder, board member – PG Holding	10.0%
Urs Wietlisbach	Zugerstrasse 57 6341 Baar-Zug Switzerland	Switzerland	Founder, board member – PG Holding	10.0%

Post-transaction, the ownership of these three 10 percent owners will remain the same.

## III. Conclusion

Applicants respectfully request that the Commission promptly grant this Application, without delay resulting from this Second Amendment.
