On August 25, 2015 and Sept 23, 2015 I paper filed three BEAR reimbursement forms on behalf of Sarah Reed Children's Center. The forms were sent via Fedex. We have since received reimbursement for two of the three forms. I contacted the USAC today 2/1/2016 (case #46728) to inquire the status of the third reimbursement and was told the BEAR was never received and was instructed to file an appeal with the FCC requesting a deadline extension in order to refile.

Please accept the attached documents as proof of timely filing paper BEAR forms 266062, 266209 and 2662114 and Fedex proof of delivery receipt.

Please contact me direct if you need anything else to help expedite this appeal.

Thank you,

Annette
