RE: 2014 Quadrennial Review *et al.*, MB Dockets 14-50, 09-182 and 07-294

Dear Ms. Dortch:

This letter reports on a meeting I had June 14, 2016 with Media Bureau Chief Bill Lake and five members of his staff (Mary Beth Murphy, Brendan Holland, Benjamin Arden, Christopher Clark and Jamila Bess Johnson), as well as David Gossett of the Office of General Counsel. The meeting was held to discuss five proposals to be considered by the Commission in the wake of *Prometheus Radio Project v. FCC*, Case No. 15-3863 (3d Cir., slip op., May 25, 2016) ("*Prometheus III*"). The numbering system used for the proposals is that used in the Supplemental Comments of the Diversity and Competition Supporters in Response to the Notice of Proposed Rulemaking, 2010 Quadrennial Review *et al.*, MB Docket Nos. 09-182 and 07-294 (filed April 3, 2012) ("Supplemental Comments"). The history and substantive details of all of the proposals are provided in the Supplemental Comments. The proposals discussed in the meeting were:

- Proposal 5: Examine How to Promote Minority Ownership as an Integral Part of All FCC General Media Rulemaking Proceedings
- Proposal 10: Extend the Cable Procurement Rule to Broadcasting
- Proposal 33: Mathematical Touchstones: Tipping Points for the Non-Viability of Independently Owned Radio Stations in a Consolidating Market and Quantifying Source Diversity
- Proposal 37: Engage Economists to Develop a Model for Market-Based Tradable Diversity Credits as an Alternative to Voice Tests
- Proposal 40: Create a New Civil Rights Branch of the Enforcement Bureau.

The proposals were discussed with regard to their scope, and to the mechanics under which the public would have an opportunity to comment on them should they be put out for public comment.

Marlene Dortch, Esq.

June 16, 2016

Page 2.

MMTC will shortly file a letter annotating the five proposals and also setting out its proposed disposition of the other 19 MMTC proposals figuring in *Prometheus III* at ns. 987, 988 and 989.

Sincerely,

David Honig

David Honig
